SKILLS

Communication, Organization, Time Management, HTML, CSS, JavaScript, React.js, Git, npm, MongoDB, Express, jQuery, Node.js, MERN stack, MySQL, NoSQL

EXPERIENCE

Wild River Grille - Bartender/Bar Manager

May 2015 - Present

- My responsibilities include providing optimal customer service and care, compiling a monthly spreadsheet of restaurant inventory, and leading the team to higher sales and success through communication and knowledge base.

Reno Sport & Spine Institute - Intern

January 2015 - June 2015

- Created infographics and social media posts to increase community outreach and education.

EDUCATION

University of Nevada, Reno - B.S. in Community Health

August 2010 - May 2015

Also received a minor in Business Administration.

University of California, Davis - Full Stack Web Development

March 2022 - August 2022

Gained many skills in web development as well as an ability to conceptualize and discuss web based applications.
