9701 South Legacy Court
Reno, NV

Summary

Full stack web developer that is looking forward to creating intuitive user experiences on the web. I recently completed a full stack web development course at UC Davis and am excited to start using the skills I have garnered throughout the program. Proficient in Javascript, CSS, React.js and responsive web design with a focus on mobile first development. Strong communicator with experience in leading conversation and directing work flow.

Experience

Bartender/Bar Manager

Wild River Grille • Reno, NV
05/2015 - Present
My responsibilities include providing optimal customer service and care, compiling a monthly spreadsheet of restaurant inventory, and leading the team to higher sales and success through communication and knowledge base.

Intern

Reno Sport & Spine Institute • Reno, NV
01/2015 - 06/2015
Created infographics and social media posts to increase community outreach and education.

Skills

HTML, CSS, JavaScript, React.js, Git, npm, MongoDB, Express, jQuery, Node.js, MERN stack, MySQL, NoSQL

Education

Community Health Science & Business Administration

University of Nevada, Reno • Reno, NV
05/2015
